FEATURES

- Anti-Flicker technology**
MSI Anti-Flicker technology provides a very comfortable viewing experience by reducing the amount of screen flicker.
- Less Blue Light**
Effectively reduce blue light which could cause serious long-term damage to your eyes.
- 10-Point Touch**
Enjoy the extraordinary and superior performance with the most optimal 10-point touch.
- Silent PRO Colling**
3 independent chambers with exclusive thermal module provide the best solution while rendering, editing and multitasking
- Easy to upgrade**
Easy to access and upgrade components to keep the system up to date with the latest hardware.
- VESA Mountable**
To be mounted on the wall of your office & home with a VESA standard design which can make it completely invisible on a desk.
