PC COMPONENTS

MAG VIEW XPANDER 12 / WHITE

EXPAND YOUR VISION

FEATURES

12.3 INCH DISPLAY PANEL

Functions as an additional screen or hardware monitor with 1920 x 720 resolution and supports both vertical and horizontal orientations.

MSI CENTER SUPPORT

Easily customize layouts to monitor hardware status in real time or fine-tune the lighting effects through the intuitive MSI Center platform.

HIGH COMPATIBILITY

Can be mounted on a 360 mm radiator bracket, installed on a 120 mm fan frame with the L-shaped bracket, or placed on a desktop with the panel stand. Compatible with MSI PANO, VELOX 300, and MAESTRO series cases.

EXTENSION DISPLAY SUPPORT

Functions as a secondary screen or real-time hardware monitoring display, providing versatile customization options.

IPS LCD PANEL

Make sure the intensity, purity of colors, and an IPS full viewing angle of display are achieved when displaying.

USB 2.0 INTERFACE

Enjoy a simple setup with just one cable for both power and display. Includes Type-A to Type-C and Type-C to pin-header cables for flexible installation.
