FEATURES

IPS Grade Panel

Instantly optimizes the screen colors and brightness to ensure that you enjoy every scene at its best.

Anti-Flicker Technology

With MSI Anti-Flicker technology, a stable output current for the monitor is provided to protect your eyes.

VESA Mountable

VESA mountable design makes the PC completely invisible on your desk.

Complete I/O

With a complete array of I/O ports, it can connect all devices that you need.

Silent PRO Cooling

Server Grade Thermal Module handles the cooling of different components within the system.

Anti-Glare Display

An anti-glare display makes viewing the display more pleasant and reduces eyestrain for users.
