FEATURES

Anti-Flicker technology

MSI Anti-Flicker technology provides a very comfortable viewing experience by reducing the amount of screen flicker.

Less Blue Light

Effectively reduce blue light which could cause serious long-term damage to your eyes.

Anti-Glare Display Design

An anti-glare display makes viewing the display more pleasant for users and reduces eyestrain for users

MSI Center

The MSI Center takes optimization to the next level with easily adjustable system modes and resources for a wide range of scenarios and needs.

Silent PRO Colling

3 independent chambers with exclusive thermal module provide the best solution while rendering, editing and multitasking

TPM Support

FW TPM design secures your confidential data with encryption keys.

Tool Less Design

Assemble and disassemble the stand without any tools needed.

IPS Grade Panel

Instantly optimize the screen colors and brightness to ensure that you enjoy every detail at its best while creating your own on-line video

MSI Center

The MSI Center takes optimization to the next level with easily adjustable system modes and resources for a wide range of scenarios and needs.
