

FEATURES

Compact Size

The same performance as a big gaming rig but in a powerful small sized chassis so you can take it anywhere.

MSI Graphics

Armed with MSI breathtaking graphics card for the best in game performance.

VR Link

Optimized port to easily connect a VR device and On Click to VR software that optimizes your VR experience.

Easy to carry

We designed our Gaming Desktop to be taken anywhere. So wherever your gaming den is, you can easily carry this Gaming Desktop there.

Mystic Light

Make your build look on fire or cold as ice. You are in control. Customize colors and effects with RGB LED.

Silent Storm Cooling 2

Exclusive, silent and powerful cooling system that embraces several separated chambers for component cooling.
