FEATURES

Gaming Graphics

Armed with MSI's award-winning GAMING graphics card for the best in game performance.

Silent Storm Cooling 2

Exclusive, silent and powerful cooling system that embraces several separated chambers for component cooling.

Mystic Light

Make your build look on fire or cold as ice. You are in control. Customize colors and effects with RGB LED.

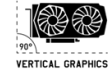

Easy to upgrade

Easy to access and upgrade components to keep the system up to date with the latest hardware.

Easy to carry

We designed our Gaming Desktop to be taken anywhere. So wherever your gaming den is, you can easily carry this Gaming Desktop there.

Vertical graphics design

Vertical placed graphics card to prevent bending of the card or damage to the PCIe slot during transport.
