FEATURES

Full CNC Aluminum Chassis

Premium CNC-machined aluminum chassis for enhanced durability, refined texture, and a solid typing feel.

8,000Hz Polling Rate

Up to 8,000Hz polling rate in wired and 2.4GHz wireless modes for ultra-low latency.

MAGNETIC SWITCHES

Built for speed, precision, and lasting durability, this magnetic switch is rated for up to 100 million keystrokes.

Hot-Swappable Magnetic Switch System

Compatible with hot-swappable magnetic switches, allowing easy switch replacement and flexible typing customization.

VERSATILE CONNECTIVITY

Offers 2.4GHz wireless, Bluetooth, and wired USB Type-C for versatile device compatibility.

ENDURANCE

Up to 48 hours of use, charges in 17 hours via USB Gen 3, can be used while recharging.

ERGONOMIC SUPPORT

With its solid optical-grade acrylic construction, the wrist rest amplifies the RGB light from the STRIKE WIRELESS 8K HE DRACO EPIC EDITION's light bar, creating a smooth, immersive glow.

Dynamic RGB Lighting & Lightbar

Per-key RGB lighting and an integrated RGB lightbar deliver immersive illumination with vibrant, customizable effects.
