產品尺寸 (MM)	200 x 170 x 80mm
重量 (產品 / 包裝)	326g / 727g

## FEATURES

### Ultra-Low Latency

Gain a competitive edge with synchronized audio response for every move and immerse yourself in true audio realism.

### 50mm Neodymium Drivers

High-quality bass-enhancing 50mm drivers reproduce real-life audio across high, medium, and low frequencies for gaming, movies, and music.

### All Day Listening

Up to 22 hours of battery life for uninterrupted listening, effortlessly transition from all-day entertainment to seamless gaming.

### Detachable Omnidirectional Mic

Experience clear voice capture with a high-quality omnidirectional microphone, and detach it for immersive music and movie enjoyment.

### Lightweight Comfort

Weighing only 326g, the GH50 WIRELESS is built for comfort in a lightweight & durable design for extended gaming sessions.

### Foldable Headband

The foldable headband makes the GH50 WIRELESS easy to store and carry.

### Cross Platform Connectivity

Enjoy ultra-low latency on 2.4GHz wireless and game on PC or consoles via a detachable 3.5mm cable.

### Accessory Array

The package includes a carry pouch, 3.5mm cable, USB-C to A charging cable, wireless USB transmitter, and USB-A to C converter.

### Nahimic for Headset

The world-renowned audio software enhances the gaming experience with its 3D Sound technology.

### MSI Center

MSI Center software gets the most out of MSI peripheral products and enables real-time experience with just a few clicks.
