FEATURES

STUNNING REFLECTIVE VISUAL EFFECT

The surface of MSI GLEAM CLOTH can create a reflective effect that catches the eye while gaming.

100% SMOOTH GLIDING

The surface has zero material gaps giving a 100% smooth mouse movement gaming experience.

150% MORE DURABLE

The special non-stick surface is 150% more durable compared to conventional fabric mouse pads.

100% SPLASH PROOF

The splash-proof and stain-resistant coating makes any liquid slide right off and provides an easy clean-up experience for the mousepad.

SENSOR ACCURACY

The smooth surface increases light reflection which optimizes the sensor tracking accuracy for gaming.

FAST-COOLING SURFACE

A specially engineered fast-cooling surface keeps the user's hands and wrists cool and comfortable during long gaming sessions.

MICRO FIBER CLOTH INCLUDED

A micro-fiber cloth is included to help clean the mouse pad in ease when needed.

STEADY BASE

An anti-slip and shock-absorbing rubber base helps you stand your ground.

HIGH QUALITY AND EXQUISITE CRAFT

The stitched edges reinforce the outline of the mousepad extending durability. They also prevent the edges from curling up.
