## FEATURES

### MECHANICAL LINEAR SWITCHES

The mechanical switches offer a linear profile and a precise feel for every key press.

### HOT-SWAPPABLE DESIGN

Customizable keyboard design allows for swapping the default mechanical switches with third-party switches without soldering.

### MAGNETIC COVER

A removable magnetic top cover sits on the metal finish top case for a personalized look and feel.

### Dedicated Volume Scroll Wheel

Adjust audio on the fly with a smooth, responsive scroll wheel.

### HOTKEYS FOR RAPID CONTROL

Convenient hotkeys allow you to change lighting effects, media controls, and access widgets with ease.

### MACRO KEYS

One-touch macro automation for rapid commands and workflow shortcuts.

### RGB LED

Lighten the mood by playing with predefined effects for the preferred vibe.
