

## FEATURES

- 2.1" LCD**  
2.1-inch round IPS screen with curved glass for a stunning visual experience.
- CYCLOBLADE 7**  
Focuses airflow and reduces noise.
- Pre-installed Fans**  
Saves gamers installation time and enhances the assembly experience.
- UNI Bracket**  
Easy installation: Pre-installed UNI Bracket (1700/1851/AM4/AM5)
- EPDM Tubing**  
Durable and effective in preventing coolant evaporation.

## SPECIFICATIONS

|                      |                                                                                                                                                                                                                                                                                              |
