

FEATURES

110-Degree Curved Angle

The 6.67" 2K AMOLED screen features a 110-degree bend at a 2:1 ratio, offering superior visibility in mid-tower or panoramic cases compared to standard 90-degree bends.

Laminar Focus Technology

The middle fan spins in reverse to minimize turbulence, smooth airflow, and reduce noise.

Cooling Safeguard

If a fan fails, the remaining fans automatically accelerate to maintain cooling, preventing immediate thermal throttling and giving users time to save their work.
