

## FEATURES

## SPECIFICATIONS

|                       |                                                                                                                                         |
|-----------------------|-----------------------------------------------------------------------------------------------------------------------------------------|
| <b>Model Name</b>     | MEG X570 UNIFY                                                                                                                          |
| <b>CPU Support</b>    | Supports 2nd and 3rd Gen AMD Ryzen™ / Ryzen™ with Radeon™ Vega Graphics and 2nd Gen AMD Ryzen™ with Radeon™ Graphics Desktop Processors |
| <b>CPU Socket</b>     | Socket AM4                                                                                                                              |
| <b>Chipset</b>        | AMD® X570 Chipset                                                                                                                       |
| <b>Graphics</b>       | 3 x PCI-E 4.0 x16 slots                                                                                                                 |
| <b>Interface</b>      | Supports 2-way SLI / 3-way CrossFire                                                                                                    |
| <b>Memory Support</b> | 4 DIMMs, Dual Channel DDR4-4600+(OC)                                                                                                    |
| <b>Storage</b>        | 3 x Lightning Gen4 M.2 slots<br>4 x SATA 6Gb/s ports                                                                                    |
| <b>USB Ports</b>      | 5 x USB 3.2 (Gen2, 3A+2C) + 6 x USB 3.2 (Gen1) + 6 x USB 2.0                                                                            |
| <b>LAN</b>            | Realtek8125-CG 2.5G LAN                                                                                                                 |
| <b>Wi-Fi / BT</b>     | Intel® Wi-Fi 6 AX200                                                                                                                    |
| <b>Audio</b>          | 8-Channel (7.1) HD Audio with Audio Boost HD                                                                                            |

## CONNECTIONS

- |                                |                                        |
|--------------------------------|----------------------------------------|
| 1. Clear CMOS Button           | 2. Wi-Fi /Bluetooth Antenna Connectors |
| 3. PS/2 GAMING Device Port     | 4. Realtek 2.5G LAN                    |
| 5. HD Audio Connectors         | 6. Flash BIOS Button                   |
| 7. USB 2.0 Ports               | 8. USB 3.2 Gen1 Ports                  |
| 9. USB 3.2 Gen2 Ports Type A+C | 10. USB 3.2 Gen2 Ports                 |
