## SPECIFICATIONS

|                    |                                                                                                |
|--------------------|------------------------------------------------------------------------------------------------|
| Model Name         | B350 TOMAHAWK PLUS                                                                             |
| CPU support        | Supports AMD® RYZEN Series processors and 7th Gen A-series / Athlon™ Processors for socket AM4 |
| CPU socket         | AM4                                                                                            |
| Chipset            | AMD® B350 Chipset                                                                              |
| Graphics Interface | 1 x PCI-E 3.0 x16 slots + 1 x PCI-E 2.0 x16 slot<br>2-way CrossFire                            |
| Display Interface  | VGA,DVI-D,HDMI™                                                                                |
| Memory support     | 4 DIMMs, Dual Channel<br>DDR4-3200(OC)                                                         |
| Expansion slots    | 3 x PCI-E x1 slots                                                                             |
| SATA / M.2 / U.2   | 4 x SATA 6Gb/s ports, 1 x M.2 slot                                                             |
| USB 3.1 Gen2       | 2 x USB 3.1 Gen2 (Type A+C)                                                                    |
| USB 3.1 Gen1       | 6 x USB 3.1 Gen1                                                                               |
| USB 2.0            | 6 x USB 2.0                                                                                    |
| LAN                | 10/100/1000Mbps LAN                                                                            |
| Audio              | 7.1-Channel High Definition Audio                                                              |
| Form Factor        | ATX                                                                                            |

## CONNECTIONS

- |                                 |                            |
|---------------------------------|----------------------------|
| 1. PS/2 GAMING Device Port      | 2. VGA Port                |
| 3. Intel® Gigabit LAN Port      | 4. Golden Audio Connectors |
| 5. USB 2.0 Ports                | 6. DVI-D Port              |
| 7. HDMI™                        | 8. USB 3.1 Gen1 Ports      |
| 9. Golden USB 3.1 Gen2 Type-A/C |                            |
