FEATURES

Compact Size

The same performance as a big rig but in a powerful small-sized chassis so you can take it anywhere.

Thunderbolt™ 4

Up to 40Gb transmission speed, brings fast speed and versatility, offering a fast and simple level of connection for work.

Matrix Display

Supports the Multi-display mode and the surround view mode

Dual LAN

Dual LAN design provides the second LAN backup and a safer network environment

Tool-less 2.0

The two-step, Tool-less 2.0 enables quick component maintenance and routine servicing to save time and streamline upkeep.

Cable Management

Keep cables neat, secure, and protected to prevent accidental disconnections.

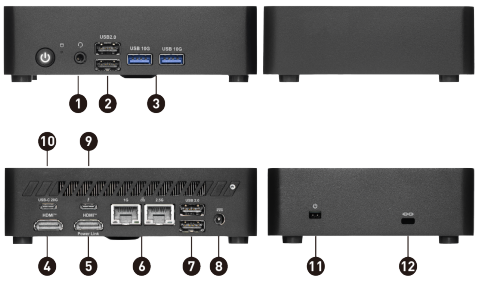

MSI AI Engine

Incorporating AI technology, the MSI AI Engine can switch settings, including lighting, performance, audio and visual based on different applications.

VESA Mountable

To be mounted on the wall of your office & home with a VESA standard design which can make it completely invisible on a desk.
