

## SPECIFICATIONS

|                                   |                                                                                        |
|-----------------------------------|----------------------------------------------------------------------------------------|
| Tamaño del panel                  | 27"                                                                                    |
| Área de visualización activa (mm) | 596.736 (H) x 335.664 (V)                                                              |
| Curvatura                         | Flat                                                                                   |
| Tipo de panel                     | Rapid IPS                                                                              |
| Resolución de la pantalla         | 2560 x 1440 (WQHD)                                                                     |
| Tamaño de píxel (H x V)           | 0.2331 (H) x 0.2331 (V)                                                                |
| Relación de aspecto               | 16:9                                                                                   |
| Brillo (Nits)                     | SDR: 300 cd/m <sup>2</sup>                                                             |
| Relación de contraste             | 1000:1                                                                                 |
| DCR                               | 100000000:1                                                                            |
| Rango tasa de refresco            | 48~200Hz                                                                               |
| Tasa de refresco                  | 200Hz                                                                                  |
| Tiempo de respuesta               | 0.5ms (GtG, Min.)                                                                      |
| Admite HDR                        | VESA DisplayHDR 400                                                                    |
| Puertos de video                  | 1x DisplayPort 1.4a (HBR3)<br>2x HDMI™ 2.0b (WQHD@144Hz)                               |
| Puertos de audio                  | 1x Headphone-out                                                                       |
| Ángulo de visión                  | 178° (H) / 178° (V)                                                                    |
| Adobe RGB / DCI-P3 / sRGB         | 92% / 95% / 124% (CIE1976 Standard)                                                    |
| Tratamiento de la superficie      | Anti-glare                                                                             |
| Colores de pantalla               | 1.07B, 10 bits (8 bits + FRC)                                                          |
| Tipo de alimentación              | Internal Power Board                                                                   |
| Entrada de alimentación           | 100~240V, 50/60Hz                                                                      |
| Regulable (inclinación)           | -5° ~ 20°                                                                              |
| Regulable (Giro)                  | -30° ~ 30°                                                                             |
| Regulable (Pivot)                 | -90° ~ 90°                                                                             |
| Regulable (altura)                | 0~130 mm                                                                               |
| Kensington Lock                   | Yes                                                                                    |
| Tecnología compatible             | Adaptive-Sync                                                                          |
| Tamaño de la caja (An X Pr X Al)  | 840 x 148 x 475 mm<br>(33 x 5.8 x 18.7 inch)                                           |
| Modo consola                      | Supported Resolution & Refresh Rate:<br>1080p: 60Hz and 120Hz<br>1440p: 60Hz and 120Hz |
|                                   | HDMI™ CEC: Supported<br>VRR: PS5 and Xbox Supported                                    |
| Soporte VESA                      | 100 x 100 mm                                                                           |
| Peso                              | 6.9 kg (15.2 lbs) / 9.3 kg (20.5 lbs)                                                  |

## FEATURES

### 180Hz High Refresh Rate

Experience smooth gaming with 180Hz refresh rate, that gives you the upperhand in fast moving games.

### Rapid IPS

Make sure the intensity and purity of colors when gaming.

### 200Hz High Refresh Rate

Experience smooth gaming with a blazing fast 200Hz refresh rate, that gives you the upperhand in fast moving games.

### 0.5ms (GtG, Min.) Response Time

Eliminate screen tearing and choppy frame rates with 0.5ms (GtG, Min.) Response Time.

VESA CERTIFIED

### VESA DisplayHDR 400

VESA certified eye-catching details through precise contrast and shadow adjustment.

### Console Mode

Optimized for seamless compatibility with gaming consoles like PS5 and Xbox Series X|S.

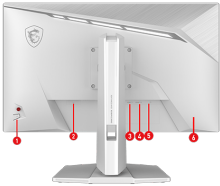

### AI Vision

The new AI Vision technology can not only reveal details in dark areas but also enhance overall brightness and saturate colors.
