| Gross Weight              | 11.2 kg / 24.69 lbs                                                                                                 |
| Weight                    | 8.79 kg / 19.38 lbs                                                                                                 |

### CONNECTIONS

### FEATURES

#### Floating Base Design

The elevated chassis design enhances bottom airflow while preserving the high-transparency panoramic look, perfectly blending style with cooling efficiency.

#### Simplified PSU Installation

The expanded PSU chamber provides ample space, making cable management effortless. Install your power supply directly from the rear without removing side panels.

#### 1-to-4 ARGB&PWM Control Board

This fan control board supports up to 4 x ARGB fan function. Allow you to use the LED switch button to adjust the ARGB lighting intuitively.

#### Superior Cooling

Featuring a mesh front panel and 2 x pre-installed 160 mm fans, significantly boosts airflow. The unique one-piece pogo-pin connector makes removal and cleaning effortless.
