## MEG MAESTRO 900R DRACO EPIC EDITION

EXCELLENCE, REFINED

## SPECIFICATIONS

|                                 |                                                                                     |
|---------------------------------|-------------------------------------------------------------------------------------|
| Case Form Factor                | Full Tower                                                                          |
| Motherboard Form Factor Support | Regular: E-ATX / ATX / Micro-ATX / Mini-ITX                                         |
| I/O Ports                       | 1 x Mic-in / Audio-out<br>1 x Power Button                                          |
| Drive Mount Support             | Up to 9 x 2.5" SSD<br>Up to 5 x 3.5" HDD                                            |
| Expansion slots                 | 8+3                                                                                 |
| Maximum GPU Length              | 440 mm                                                                              |
| Maximum CPU Cooler Height       | 170 mm                                                                              |
| Power Supply Support            | ATX                                                                                 |
| Maximum PSU Length              | 200 mm                                                                              |
| Fan Size Support                | Top: 4 x 120 mm / 3 x 140 mm<br>Side: 6 x 120 mm<br>Bottom: 4 x 120 mm / 3 x 140 mm |
| Pre-installed Fan               | Bottom: 3 x 160 mm ARGB Fan                                                         |
| Radiator Size Support           | Top: 120 / 140 / 240 / 280 / 360 / 420 mm<br>Side: 120 / 240 / 360 mm               |
| Dimensions (DxWxH)              | 695 x 379 x 671 mm / 27.36 x 14.92 x 26.42 inches                                   |
| Weight                          | Net weight: 33 kg / 72.75 lbs<br>Gross weight: 38 kg / 83.78 lbs                    |

## FEATURES

## Detachable Test Bench Design

Allows users to build and stress-test core components outside the case, then slide the assembled platform back in effortlessly, streamlining setup and validation.

## Rotatable Motherboard Tray

A 4-direction rotatable motherboard tray enables highly customizable layouts, offering optimized airflow efficiency, visual presentation, and component accessibility.

## Triple-sided Tempered Glass

Three crystal-clear tempered glass panels provide a true panoramic showcase, offering premium visibility of every component from multiple angles.

## PD Fast Charging Support

One USB-C port supports Power Delivery (PD) up to 60W, with actual output depending on the connected motherboard.

## Advanced Airflow &amp; Cooling Support

Supports up to 14 x 120 mm fans or 2 x 420 mm radiators, delivering exceptional thermal performance and full compatibility with advanced custom-loop cooling setups.

## Vertical GPU Support

An included PCIe Gen 5 riser cable enables vertical GPU installation, allowing users to showcase high-end graphics cards without compromising bandwidth.

## Adjustable EZ Bracket

Top and bottom-mounted brackets supports multiple fan configurations including 3 x 160 mm, 3 x 140 mm, or 4 x 120 mm, allowing flexible installation and airflow tuning.

## CONNECTIONS

1. 1 x USB 20Gbps (Type-C PD 60W)
2. 4 x USB 5Gbps (Type-A)
3. 1 x Audio Out / Mic In
4. 1 x LED Switch Button
5. 1 x Power Button
6. 4 x USB 10Gbps (Type-C)
