CONNECTIONS

FEATURES

Floating Base Design

The elevated chassis design enhances bottom airflow while preserving the high-transparency panoramic look, perfectly blending style with cooling efficiency.

EZ-detach

L-shaped curved fully tempered glass with an EZ-detach design for safer, more convenient removal.

Optimized Thermal Performance

It features two pre-installed 140mm fans and a separated compartment structure that delivers uncompromising thermal performance.

Simplified PSU Installation

The expanded PSU chamber provides ample space, making cable management effortless. Install your power supply directly from the rear without removing side panels.

1-to-4 ARGB&PWM Control Board

This fan control board supports up to 4 x ARGB fan function. Allow you to use the LED switch button to adjust the ARGB lighting intuitively.
