FEATURES

Support Back-Connect Motherboard

Supporting back-connect motherboards enables easy installation without the worry of forgetting to connect cables, which might otherwise require disassembling graphics cards and coolers.

270-degree Panoramic Display

Drawing inspiration from the MAG logo, create a distinctive chassis design that embodies the unique MAG characteristics. The front interior of the chassis incorporates a space for displaying figurines, complemented by a 270-degree panoramic tempered glass, transforming it into a showcase-style chassis.

GPU Support Stand

Equipped with a level indicator to ensure effortless adjustment of the support height during installation, preventing sagging. Meanwhile, its magnetic base secures more stability within the chassis.

Dust Filter

The dust filters on the top and bottom are designed to give users the best experience in cleaning.
