FEATURES

LONG-RANGE 2.4GHz WIRELESS

Simply plug the wireless dongle into a USB port for a seamless connection of up to 10 meters, allowing for untethered work and a clutter-free desk.

PRECISION MATTERS

An accurate optical sensor provides up to 1,600 DPI to deliver precise tracking.

SYMMETRICAL SHAPE

This mouse is favorable for both palm and claw grip styles, and friendly for left-handed users, thanks to the symmetrical shape.

SIDE BUTTONS

Effortlessly navigate backward or forward while browsing, streamlining your workflow and moving through information quickly.

OPTIMAL COMFORT

A tried & tested shape designed to follow the natural contour of the hands and provide additional palm support.

LONG-LASTING BATTERY LIFE

Up to 220 hours of productivity on a single pair of replaceable AAA batteries without worrying about running out of power.
