FEATURES

IPS Grade Panel

Instantly optimize the screen colors and brightness to ensure that you enjoy every detail at its best while creating your own on-line video

EyesErgo

An eye care solution designed with ergonomics in mind.

Anti-Flicker technology

MSI Anti-Flicker technology provides a very comfortable viewing experience by reducing the amount of screen flicker.

Less Blue Light

Effectively reduce blue light which could cause serious long-term damage to your eyes.

Eye-Q Check

Help have self-check eyes & remind to take a rest while using the monitor for a long time.

100Hz High Refresh Rate

Experience smooth gaming with a blazing fast 100Hz refresh rate, that gives you the upperhand in fast moving games.

Built-In Speaker

Built-in speakers allow you to listen clearly without connecting external speakers.

VESA Mountable

To be mounted on the wall of your office & home with a VESA standard design which can make it completely invisible on a desk.
