

## SPECIFICATIONS

|                                     |                                                                                  |
|-------------------------------------|----------------------------------------------------------------------------------|
| Signal Frequency                    | 30~270 KHz(H) / 40~120 Hz(V)                                                     |
| PANEL SIZE                          | 26.5"                                                                            |
| ADOBE RGB / DCI-P3 / SRGB           | 97.5% / 99% / 138.2% (CIE1976)                                                   |
| PANEL RESOLUTION                    | 3840 x 2160 (UHD)                                                                |
| REFRESH RATE                        | 120Hz                                                                            |
| RESPONSE TIME                       | 0.03ms (GtG)                                                                     |
| PANEL TYPE                          | QD-OLED                                                                          |
| CURVATURE                           | Flat                                                                             |
| VIEWING ANGLE                       | 178°(H) / 178°(V)                                                                |
| ASPECT RATIO                        | 16:9                                                                             |
| CONTRAST RATIO                      | 1500000 : 1                                                                      |
| PIXEL PITCH (H X V)                 | 0.153(H) x 0.153(V)                                                              |
| HDR SUPPORT                         | VESA DisplayHDR True Black 400                                                   |
| ACTIVE DISPLAY AREA (MM)            | 589.97(H) x 332.93(V)                                                            |
| SURFACE TREATMENT                   | Anti-Glare Low Reflection                                                        |
| DISPLAY COLORS                      | 1.07B                                                                            |
| COLOR BIT                           | 10 bits                                                                          |
| Audio Interface                     | 1x Headphone-out                                                                 |
| VIDEO PORTS                         | 2x HDMI™ 2.1 (UHD@120Hz)<br>1x DisplayPort 1.4a<br>1x Type-C (DP alt.) w/ 15W PD |
| KENSINGTON LOCK                     | Yes                                                                              |
| SPEAKER                             | 2x 2.5W                                                                          |
| BRIGHTNESS (NITS)                   | SDR: 250<br>HDR: 1000                                                            |
| VESA MOUNTING                       | 100 x 100 mm                                                                     |
| POWER TYPE                          | Internal Power Board                                                             |
| POWER INPUT                         | 100~240V, 50/60Hz                                                                |
| DYNAMIC REFRESH RATE TECHNOLOGY     | NVIDIA G-SYNC Compatible<br>AMD FreeSync™ Premium Pro                            |
| Dimension with Stand (W x D x H)    | 611.1 x 200.6 x 560.3 mm<br>(24.06 x 7.90 x 22.06 inch)                          |
| ADJUSTMENT (TILT)                   | -5° ~ 20°                                                                        |
| Dimension without Stand (W x D x H) | 611.1 x 73.0 x 356.3 mm<br>(24.06 x 2.87 x 14.03 inch)                           |
| ADJUSTMENT (SWIVEL)                 | -30° ~ 30°                                                                       |
| ADJUSTMENT (PIVOT)                  | -90° ~ 90°                                                                       |
| CARTON DIMENSION (W X D X H)        | 770 x 142 x 478 mm<br>(30.31 x 5.59 x 18.82 inch)                                |

## FEATURES

### OLED Care 2.0

MSI has developed a more advanced version to provide several care services and significantly reduce the chances of OLED screen aging.

### QD-OLED Display

MSI's renowned QD tech, combined with the latest OLED panel technology, these displays exhibit the best picture quality and incredible high contrast when gaming.

### 0.03ms Fast Response Time

Eliminate screen tearing and choppy frame rates with 0.03ms GtG response time.

### 4K 120Hz

4K clarity at 120Hz. Everything you see is sharper, and every movement is remarkably fluid.

### Tandem OLED

The QD-OLED Penta Tandem™ panel integrates a 5-layer light-emitting structure to boost light efficiency by up to 30%.

### VisiClarity

VisiClarity masterfully integrates Anti-Glare Low Reflection technology to eliminate distracting light, providing a window of pure, undisturbed depth.

### DarkArmor Film

Delivers 40% deeper blacks and a 2.5x more scratch-resistant screen surface.

### PIP/PBP Technology

Display and view dual contents simultaneously with multi-screen functionality.

|                     |                                                                                                                                                                                                                                          |
|---------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| ADJUSTMENT (HEIGHT) | 0 ~ 150 mm                                                                                                                                                                                                                               |

CONNECTIONS

1. Headphone-out
2. 2x HDMI™ 2.1 (UHD@120Hz)
3. DisplayPort 1.4a
4. Type-C (DP alt.) w/ 15W PD
5. Kensington Lock
6. AC-in
