Event Duration and Enrolment.

- From 01st October – 31st December, 2025, participants ("You, "Your", as applicable) may enroll in the MSI "Empower Your Final Quest" promotion ("Event") – while supplies last. To enter, You must complete the following steps:
 1. Subject to full compliance with these terms and conditions ("Terms and Conditions"), purchase one (1) eligible product (see eligible model charts below).
 2. Participants may register and make up to a maximum of one (1) redemption per eligible product line purchased, and a maximum of two (2) participants in total per household. All registration and redemption can only be initiated after fourteen (14) days from Your purchase date, and must be completed between 15th October, 2025 – 28th January, 2026. Event registration will automatically be closed if the Event ends earlier due to stocks being depleted.
 3. Go to the product registration page and register your eligible product and the "Empower Your Final Quest" promotion. You will need to sign up for a new MSI Member account at <https://account.msi.com/login> if You have not previously registered. Event registration will automatically be closed if the Event ends earlier due to stocks being depleted – you will be notified when trying to register.
 4. Provide a copy of Your proof of purchase for MSI verification. Documentation must include a picture of the model's serial number label on the product itself. Photos of the color box will not be accepted. Invoice with MSI model name, date, and shop/vendor name. Invoice date must be between 01st October – 31st December, 2025. If necessary, MSI may ask You provide a cutout of the product color box showing the serial numbers.
 5. Individual products used in an eligible claim cannot be re-used for separate or other claims under the Event. Redemption must be made in the country where the eligible product was purchased. Cross region and/or country redemption(s) shall be strictly prohibited.
 6. Agree to the Event Terms and Conditions and await MSI review. If MSI determines You meet all eligibility criteria, the applicable Steam code(s) (see below) will be sent to Your registered email address. Verification may take up to 14 business days. Incomplete Event registration information may result in additional processing time of up to fourteen (14) business days if You are required to provide additional information. MSI reserves the right to verify, approve, or deny submissions in its sole discretion if Event registration is incomplete, not provided within seven (7) days of MSI's request, or provided after the Event registration period.
 7. If the registered MSI product is being returned or refunded, You must notify MSI in writing, and the promotion application will be withdrawn automatically without further notice. MSI reserves the right to ask the applicants for the return of redemption items earned from products returned or refunded within fourteen (14) days of Event registration.
 8. If You claim a Steam code and return MSI product without notifying MSI, Your MSI account will be ineligible to join any promotion in the future.
 9. Steam Code: One (1) copy of Steam code (valued as shown in the chart directly below) per piece of eligible product. Limited Steam code quantities apply. All codes are not transferable or redeemable for cash alternatives. If a code becomes unavailable due to circumstances beyond MSI's reasonable control, MSI may, at its sole discretion, adjust the redemption item by replacing the code with another product of equivalent value. Applicable Steam code(s) must be redeemed via Steam website before 31st December, 2026. Please contact MSI customer service if You are unable to redeem the Steam code before the listed deadline.
