

## Specification

|                           |                                                                |
|---------------------------|----------------------------------------------------------------|
| CPU                       | Intel® Core™ i7-13700H                                         |
| Sistema Operativo         | Windows 11 Home (MSI recomienda Windows 11 Pro para negocios.) |
| Panel                     | 17.3" 144Hz, Mini LED, HDR 1000, 100% DCI-P3, panel nivel IPS  |
| Resolución                | UHD(3840x2160)                                                 |
| GPU                       | NVIDIA® GeForce RTX™ 4090                                      |
| Memoria de video          | GDDR6 16GB                                                     |
| Teclado                   | Teclado gaming RGB tecla a tecla                               |
| Memoria RAM               | DDR5 16GB*2                                                    |
| Ranuras de memoria RAM    | Max 64GB                                                       |
|                           | DDR5-5200                                                      |
|                           | 2 ranuras                                                      |
| Almacenamiento            | 1TB NVMe PCIe Gen4x4 SSD                                       |
| Ranuras de almacenamiento | 2x M.2 SSD slot (NVMe PCIe Gen4)                               |
| WLAN                      | Intel® Killer™ Wi-Fi 6E AX1675(i)                              |
| Bluetooth                 | BT5.3                                                          |
| Webcam                    | IR FHD type (30fps@1080p)                                      |
| Puertos E/S               | 1x Type-C (USB3.2 Gen2 / DP)                                   |
|                           | 1x Type-C (USB / DP / Thunderbolt™ 4) with PD charging         |
|                           | 2x Type-A USB3.2 Gen2                                          |
|                           | 1x SD Express Card Reader                                      |
|                           | 1x HDMI™ 2.1 (8K @ 60Hz / 4K @ 120Hz)                          |
|                           | 1x RJ45                                                        |
| Puertos de audio          | 1x Mic-in/Headphone-out Combo Jack                             |
| Adaptador de corriente    | Adaptador de 240W                                              |
| Batería                   | 4 cell , 99.9Whr                                               |
| Tamaño                    | 397.6 x 283.5 x 20.8 mm                                        |
| Peso                      | 2.8 kg                                                         |
| Garantía del fabricante   | 3 años de garantía                                             |
