

XSplit Gamecaster
Free License Redemption
Step by Step Guide

- Starting from the notebook with NVIDIA 800M Series Graphics, MSI provides exclusive XSplit Gamecaster 6-month or 1-year free license on our notebooks.

i Check with your local dealer or MSI service center to know which free license you have and whether or not your notebook is bundled with XSplit Gamecaster.

i Not every MSI notebook is bundled with XSplit Gamecaster and the free license on each notebook may differ from areas and the notebook specifications.

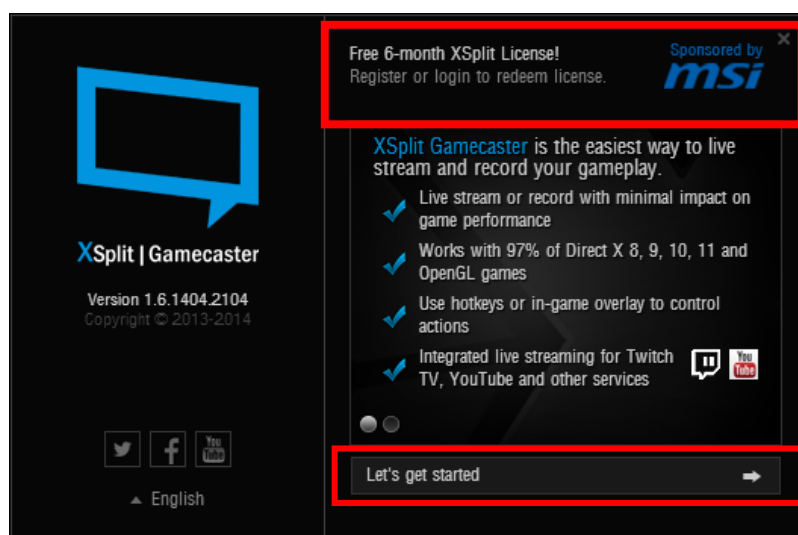

- In order to redeem the free license, you need MSI exclusive version of XSplit Gamecaster^{*1}. Once user has registered the account and redeems the free license, the free license will be bundled onto the redeemed account.
 - If you're new to the XSplit Gamecaster, open the XSplit Gamecaster software and follow the below steps to create your account and redeem the license.
 - If you already had an XSplit Gamecaster account, type your email address and the account password to log in to your account and get the license.

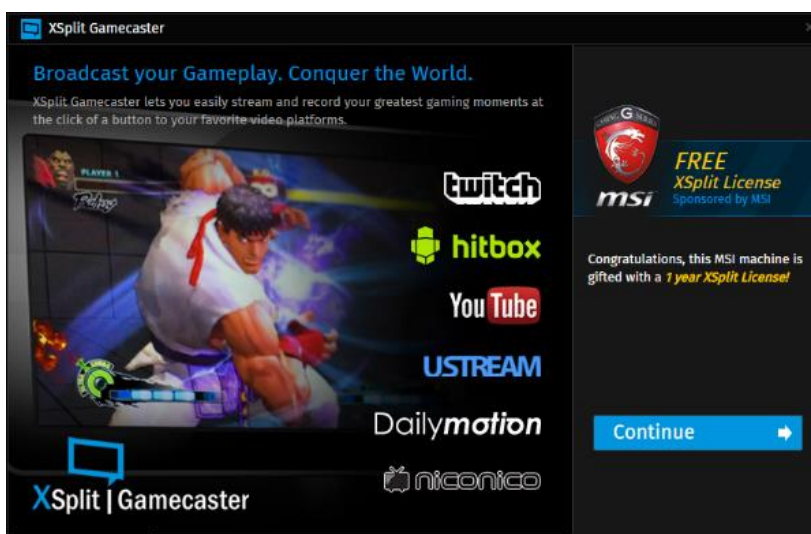

**1: Please don't upgrade or re-install your XSplit Gamecaster with newer version before redeem your free license, because you will not be able to complete the redemption.*

1. Connect to internet and start the XSplit Gamecaster. (The free license redemption message will show after you starts it.)

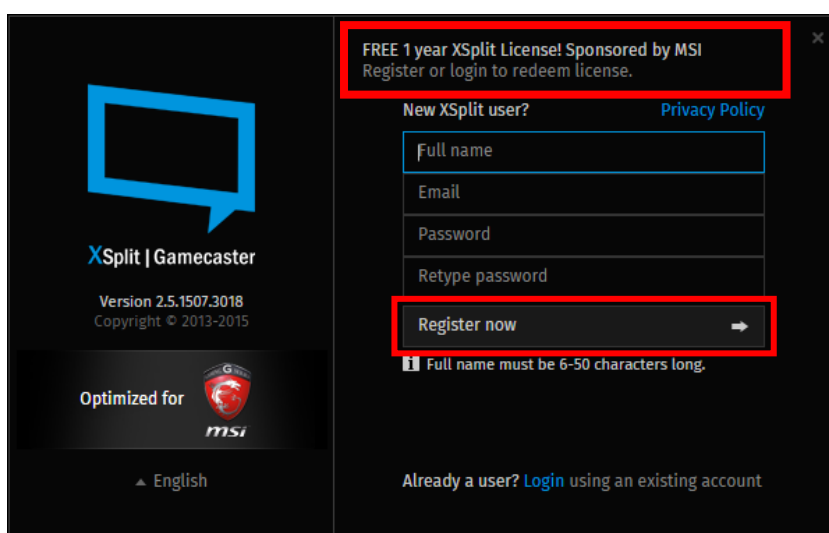

*The license redemption message won't show up unless you're connecting to the internet.
