# Modern 14 F1M

MODERN 14 F1MG-079AU

## Specification

|                              |                                                                                                                                    |
|------------------------------|------------------------------------------------------------------------------------------------------------------------------------|
| CPU                          | Intel® Core™ 7 processor 150U<br>10 cores (2 P-cores + 8 E-cores), 12 thread, 12MB Intel® Smart Cache, Max Turbo Frequency 5.4 GHz |
| Operating Systems            | Windows 11 Pro                                                                                                                     |
| Display                      | 14" FHD(1920x1080), IPS-Level                                                                                                      |
| Chipset                      | Integrated SoC                                                                                                                     |
| Integrated Graphics          | Intel® Graphics                                                                                                                    |
| Memory                       | 8GB*2 DDR4-3200<br>*The actual frequency will vary by memory combination and CPU capability.                                       |
| Memory Slot and Max Capacity | DDR4-3200, 2 Slots, Max 64GB                                                                                                       |
| Storage                      | 1TB*1 NVMe SSD PCIe Gen4<br>"Please consult service center for upgrading SSD."                                                     |
| Storage Slot                 | 1x M.2 SSD slot (NVMe PCIe Gen4)                                                                                                   |
| Keyboard                     | Single Backlit Keyboard (White) with Copilot Key                                                                                   |
| WebCam                       | HD type (30fps@720p)                                                                                                               |
| Audio                        | 2x 2W Audio Speaker<br>Hi-Res Audio Ready<br>Array Microphone                                                                      |
| Audio Port                   | 1x Mic-in/Headphone-out Combo Jack                                                                                                 |
| USB Ports                    | 3x Type-A USB3.2 Gen1<br>1x Type-C (USB3.2 Gen2 / DisplayPort™ / Power Delivery 3.0)                                               |
| Video Ports                  | 1x HDMI™ (4K @ 30Hz)                                                                                                               |
| Card Reader                  | 1x microSD Card Reader                                                                                                             |
| LAN                          | Gigabit Ethernet                                                                                                                   |
| Wi-Fi/ Bluetooth             | Intel® Wi-Fi 6E AX211, Bluetooth v5.3                                                                                              |
| Security                     | Firmware Trusted Platform Module(fTPM) 2.0, Webcam Shutter, Kensington Lock                                                        |
| AC Adapter                   | 65W Adaptor                                                                                                                        |
| Battery                      | 3-Cell<br>46.8 Whrs                                                                                                                |
| Dimension (WDXH)             | 323.9 x 217.2 x 19.9 mm                                                                                                            |
| Weight (W/ Battery)          | 1.5 kg                                                                                                                             |
| Chassis Color                | Urban Silver                                                                                                                       |
| Certification                | MIL-STD-810H/G                                                                                                                     |
| Warranty                     | 1 years limited warranty                                                                                                           |
