

Be Your Window To The World

The streamlined and edgeless shapes are elegant and generous; the composition of every line and the mastery of every circle demonstrates a high degree of perseverance and persistence. It is no longer just a functional product solely focused on meeting users' demands. It is the representation of a craftsman's spirit of excellence and the unrestrained freedom of fashion attitude. Likewise, the Modern Series have functions that fully meet the needs of users and the appearance that can be integrated into various environments. No matter where you are, you must retain your style and persistence in life.

Selling Points

- Elegant and personalized design fits any corners of your house
- TÜV certification display protect your eyesight and keep your eyes healthy
- Less blue light and anti-flicker technology prevent your eyes from strain & fatigue
- 75 Hz refresh rate provides better viewing experience
- Work with a comfortable viewing position while focusing on your courses and homework
- Keep the flexibility for your different devices with dual sources, HDMI & Type-C ports
- The standard VESA-mount supported
- Always allows you to join online conference call with built-in speakers
