

## Specification

|                                 |                                                                                                          |
|---------------------------------|----------------------------------------------------------------------------------------------------------|
| <b>Processeur</b>               | 12th Gen Intel® Core™ i3-1215U processor<br>6 cores (2 P-cores + 4 E-cores), Max Turbo Frequency 4.4 GHz |
| <b>Système d'exploitation</b>   | Windows 11 Home (MSI recommends Windows 11 Pro for business.)                                            |
| <b>Affichage</b>                | 15.6" FHD(1920x1080), IPS-Level                                                                          |
| <b>Chipset</b>                  | Integrated SoC                                                                                           |
| <b>Carte graphique intégrée</b> | Intel® UHD Graphics                                                                                      |
| <b>Mémoire</b>                  | 16GB, On board                                                                                           |
| <b>Storage</b>                  | 512GB*1 PCIe GEN3x4 w/o DRAM NVMe                                                                        |
| <b>Storage Slot</b>             | 1x M.2 SSD slot (NVMe PCIe Gen3)                                                                         |
| <b>Clavier</b>                  | Single Backlit Keyboard (White)                                                                          |
| <b>Webcam</b>                   | HD type (30fps@720p)                                                                                     |
| <b>Audio</b>                    | 2x 2W Audio Speaker<br>Hi-Res Audio Ready                                                                |
| <b>Audio Port</b>               | 1x Mic-in/Headphone-out Combo Jack                                                                       |
| <b>Ports USB</b>                | 1x Type-A USB3.2 Gen2<br>2x Type-A USB2.0                                                                |
| <b>Connectique vidéo</b>        | 1x HDMI™ (4K @ 30Hz)                                                                                     |
| <b>Lecteur de carte</b>         | 1x Micro SD                                                                                              |
| <b>Wi-Fi/ Bluetooth</b>         | Intel® Wi-Fi 6E AX211, Bluetooth v5.3                                                                    |
| <b>Sécurité</b>                 | Firmware Trusted Platform Module(fTPM) 2.0                                                               |
| <b>Chargeur d'alimentation</b>  | 65W Adaptor                                                                                              |
| <b>Batterie</b>                 | 3-Cell<br>39.3 Whrs                                                                                      |
| <b>Dimensions (LxPxH)</b>       | 359 x 241 x 19.9 mm                                                                                      |
| <b>Poids (avec batterie)</b>    | 1.7 kg                                                                                                   |
| <b>Couleur du châssis</b>       | Star Blue                                                                                                |
| <b>Certification</b>            | MIL-STD-810H/G                                                                                           |
| <b>Garantie</b>                 | 2 years limited warranty                                                                                 |
