# Prestige 13 AI Evo A2HM

P R E S T I G E   1 3   A I   E V O   A 2 H M G - 2 4 2 H K

## Specification

|                     |                                                                                                                                                                              |
|---------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| CPU                 | Intel® Core™ Ultra 7 processor 255H with Intel® AI Boost (NPU)<br>16 cores (6 P-cores + 8 E-cores + 2 Low Power E-cores), 16 thread, 24MB cache, Max Turbo Frequency 5.1 GHz |
| Operating Systems   | Windows 11 Home (MSI recommends Windows 11 Pro for business.)                                                                                                                |
| Display             | 13.3" 2.8K (2880 x 1800), OLED, VESA DisplayHDR™ True Black 500 Certified, 100% DCI-P3(Typical)                                                                              |
| Chipset             | Integrated SoC                                                                                                                                                               |
| Integrated Graphics | Intel® Arc™ graphics(*Intel® Arc™ graphics requires configuration with 16GB dual-channel memory or above.)                                                                   |
| Memory              | 32GB LPDDR5x-7500, On board<br>*The actual frequency will vary by memory combination and CPU capability.                                                                     |
| Storage             | 1TB*1 NVMe SSD PCIe Gen4<br>"Please consult service center for upgrading SSD."                                                                                               |
| Storage Slot        | 1x M.2 SSD slot (NVMe PCIe Gen4)                                                                                                                                             |
| Keyboard            | Single Backlit Keyboard (White) with Copilot Key                                                                                                                             |
| WebCam              | IR FHD type (30fps@1080p) with HDR & 3D Noise Reduction+ (3DNR+)                                                                                                             |
| Audio               | 2x 2W Audio Speaker<br>Hi-Res Audio Ready, DTS Audio Processing<br>Spatial Array Microphone (3 Mic)                                                                          |
| Audio Port          | 1x Mic-in/Headphone-out Combo Jack                                                                                                                                           |
| USB Ports           | 1x Type-A USB3.2 Gen1<br>2x Thunderbolt™ 4 (DisplayPort™ / Power Delivery 3.0)                                                                                               |
| Video Ports         | 1x HDMI™ 2.1 (8K @ 60Hz / 4K @ 120Hz)                                                                                                                                        |
| Card Reader         | 1x microSD Card Reader                                                                                                                                                       |
| Wi-Fi/ Bluetooth    | Intel® Killer™ Wi-Fi 7 BE1750, Bluetooth v5.4                                                                                                                                |
| Sensor              | 1x Ambient Light Sensor<br>1x Proximity Sensor<br>1x Fingerprint                                                                                                             |
| Security            | Fingerprint Security, Discrete Trusted Platform Module(dTPM) 2.0, Firmware Trusted Platform Module(fTPM) 2.0, Webcam Shutter, Kensington Lock                                |
| Adapter             | 65W Adaptor                                                                                                                                                                  |
| Battery             | 4-Cell<br>75 Whrs                                                                                                                                                            |
| Dimension (WxDXH)   | 299 x 210 x 16.9 mm                                                                                                                                                          |
| Weight (W/ Battery) | 0.99 kg                                                                                                                                                                      |
| Chassis Color       | Pure White                                                                                                                                                                   |
| Certification       | MIL-STD-810H/G                                                                                                                                                               |
| Warranty            | 2 years limited warranty                                                                                                                                                     |
