STEALTH A16 MERCEDESAMG AI+ A3XWGG-060IN

## Specification

|                              |                                                                                                                                                                                                    |
|------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| CPU                          | AMD Ryzen™ AI 9 HX 370 processor with up to 50 NPU TOPS (80 total AI TOPS)<br>12 cores, 24 threads, 36MB total cache, up to 5.1 GHz Max Boost                                                      |
| Operating Systems            | Windows 11 Home (MSI recommends Windows 11 Pro for business.)                                                                                                                                      |
| Display                      | 16" QHD+ (2560x1600), 240Hz Refresh Rate, OLED, 100% DCI-P3(Typical)                                                                                                                               |
| Chipset                      | Integrated SoC                                                                                                                                                                                     |
| Discrete Graphics            | NVIDIA® GeForce RTX™ 5070 Laptop GPU powers advanced AI with 798 AI TOPS<br>Up to 2025MHz Boost Clock 95W Maximum Graphics Power with Dynamic Boost.<br>*May vary by scenario<br>*Power Efficiency |
| Video Memory                 | 8GB GDDR7                                                                                                                                                                                          |
| Memory                       | 16GB*2 DDR5-5600<br>*The actual frequency will vary by memory combination and CPU capability.                                                                                                      |
| Memory Slot and Max Capacity | Up to DDR5-5600, 2 Slots, Max 96GB                                                                                                                                                                 |
| Storage                      | 2TB*1 NVMe SSD PCIe Gen4<br>"Please consult service center for upgrading SSD."                                                                                                                     |
| Storage Slot                 | 1x M.2 SSD slot (NVMe PCIe Gen4)                                                                                                                                                                   |
| Keyboard                     | Per-Key RGB Gaming Keyboard by SteelSeries with Copilot Key                                                                                                                                        |
| WebCam                       | IR FHD type (30fps@1080p) with HDR & 3D Noise Reduction+ (3DNR+)                                                                                                                                   |
| Audio                        | 2x 2W Audio Speaker<br>4x 2W Audio Woofer<br>Sound by Dynaudio, Nahimic 3 Audio Enhancer, Hi-Res Audio Ready<br>Array Microphone                                                                   |
| Audio Port                   | 1x Mic-in/Headphone-out Combo Jack                                                                                                                                                                 |
| USB Ports                    | 2x Type-A USB3.2 Gen2<br>1x Type-C (USB4® / DisplayPort™ / Power Delivery 3.0/ Thunderbolt™ 4 compatible)                                                                                          |
| Video Ports                  | 1x HDMI™ 2.1 (8K @ 60Hz / 4K @ 120Hz)                                                                                                                                                              |
| LAN                          | 2.5 Gigabit Ethernet                                                                                                                                                                               |
| Wi-Fi/ Bluetooth             | Wi-Fi 7 , Bluetooth v5.4                                                                                                                                                                           |
| Sensor                       | 1x Fingerprint                                                                                                                                                                                     |
| Security                     | Fingerprint Security, Firmware Trusted Platform Module(FTPM) 2.0, Webcam Shutter, Secured-core PCs, Kensington Lock, Microsoft Pluton Security Technology                                          |
| Adapter                      | 240W Adaptor                                                                                                                                                                                       |
| Battery                      | 4-Cell<br>99.9 Whrs                                                                                                                                                                                |
| Dimension (WxDxH)            | 355.8 x 259.7 x 19.95 mm                                                                                                                                                                           |
| Weight (W/ Battery)          | 2.1 kg                                                                                                                                                                                             |
| Chassis Color                | Selenite Gray                                                                                                                                                                                      |
