## Specification

|                              |                                                                                                                                                                                         |
|------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| CPU                          | Intel® Core™ Ultra X9 processor 378H with up to 50 NPU TOPS<br>16 cores (4 P-cores + 8 E-cores + 4 Low Power E-cores), 16 threads, 18MB Intel® Smart Cache, Max Turbo Frequency 5.0 GHz |
| Operating Systems            | Windows 11 Home (MSI recommends Windows 11 Pro for business.)                                                                                                                           |
| Microsoft Office             | Microsoft 365 Basic + Office Home 2024 included                                                                                                                                         |
| Display                      | 14" FHD+(1920x1200), OLED, 100% DCI-P3(Typical), MSI Precision Pen Touch Technology (MPPT), Support MSI Nano Pen, Touchscreen, Low Blue Light & Flicker-free certified by SGS           |
| Chipset                      | Integrated SoC                                                                                                                                                                          |
| Integrated Graphics          | Intel® Arc™ GPU B390 (Intel® Arc™ GPU B390 requires configuration with ≥16GB LPDDR5x memory operating at ≥7467 MT/s in dual-channel mode.)                                              |
| Memory                       | 32GB LPDDR5x, On board                                                                                                                                                                  |
| Memory Slot and Max Capacity | LPDDR5x, Max 64GB                                                                                                                                                                       |
| Storage                      | 1TB*1 NVMe SSD PCIe Gen4                                                                                                                                                                |
| Storage Slot                 | 1x M.2 SSD slot (NVMe PCIe Gen4)                                                                                                                                                        |
| Keyboard                     | Single Backlit Keyboard (White) with Copilot Key<br>Smudge-resistant keyboard                                                                                                           |
| Touchpad                     | Action Touch Pad                                                                                                                                                                        |
| WebCam                       | IR FHD type (30fps@1080p) with HDR & 3D Noise Reduction+ (3DNR+)                                                                                                                        |
| Audio                        | 2x 2W Audio Speaker<br>2x 2W Audio Woofer<br>DTS Audio Processing, Hi-Res Audio Ready<br>Spatial Array Microphone (3 Mic)                                                               |
| Audio Port                   | 1x Mic-in/Headphone-out Combo Jack                                                                                                                                                      |
| USB Ports                    | 2x Type-A USB3.2 Gen2<br>2x Thunderbolt™ 4 (DisplayPort™ / Power Delivery 3.0)                                                                                                          |
| Video Ports                  | 1x HDMI™ 2.1 (8K @ 60Hz / 4K @ 120Hz)                                                                                                                                                   |
| Wi-Fi/ Bluetooth             | Intel® Killer™ Wi-Fi 7 BE1775, Bluetooth v6                                                                                                                                             |
| Sensor                       | 1x Ambient Light Sensor<br>1x Gyroscope<br>1x Accelerometer<br>1x Magnetometer<br>1x Fingerprint<br>1x Adaptive Color Sensor                                                            |
| Security                     | Discrete Trusted Platform Module(dTPM) 2.0, Fingerprint Security, Microsoft Pluton Security Technology, Secured-core PCs, Webcam Shutter                                                |
| Adapter                      | 65W<br>MSI recommends using a 65W or higher PD charger for charging.                                                                                                                    |
| Battery                      | 4-Cell<br>81 Whrs                                                                                                                                                                       |
| Dimension (WDXH)             | 315.6 x 221.9 x 11.9-13.9 mm                                                                                                                                                            |
| Weight (W/ Battery)          | 1.37 kg                                                                                                                                                                                 |
| Chassis Color                | Vincent van Gogh Edition                                                                                                                                                                |
| Certification                | MIL-STD-810H/G                                                                                                                                                                          |
| Warranty                     | 2 years limited warranty                                                                                                                                                                |
