## Specification

|                              |                                                                                                                                                                                           |
|------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| CPU                          | Intel® Core™ Ultra 9 processor 288V with up to 48 NPU TOPS (120 total platform TOPS)<br>8 cores (4 P-cores + 4 E-cores), 8 threads, 12 MB Intel® Smart Cache, Max Turbo Frequency 5.1 GHz |
| Operating Systems            | Windows 11 Pro                                                                                                                                                                            |
| Display                      | 16" UHD+(3840x2400), OLED, 100% DCI-P3(Typical)                                                                                                                                           |
| Chipset                      | Integrated SoC                                                                                                                                                                            |
| Integrated Graphics          | Intel® Arc™ 140V GPU (16GB)                                                                                                                                                               |
| Memory                       | 32GB LPDDR5x-8533, Memory on Package<br>*The actual frequency will vary by memory combination and CPU capability.                                                                         |
| Memory Slot and Max Capacity | LPDDR5x-8533, Max 32GB                                                                                                                                                                    |
| Storage                      | 2TB*1 NVMe SSD PCIe Gen4<br>"Please consult service center for upgrading SSD."                                                                                                            |
| Storage Slot                 | 2x M.2 SSD slot (NVMe PCIe Gen4)                                                                                                                                                          |
| Keyboard                     | Single Backlit Keyboard (Red) with Copilot Key                                                                                                                                            |
| Touchpad                     | Silky Smooth Touchpad                                                                                                                                                                     |
| WebCam                       | IR 5MP type (30fps@1944p) with HDR & 3D Noise Reduction+ (3DNR+)                                                                                                                          |
| Audio                        | 2x 2W Audio Speaker<br>Hi-Res Audio Ready, DTS Audio Processing<br>Spatial Array Microphone (3 Mic)                                                                                       |
| Audio Port                   | 1x Mic-in/Headphone-out Combo Jack                                                                                                                                                        |
| USB Ports                    | 1x Type-A USB3.2 Gen2<br>2x Thunderbolt™ 4 (DisplayPort™ / Power Delivery 3.0)                                                                                                            |
| Video Ports                  | 1x HDMI™ 2.1 (8K @ 60Hz / 4K @ 120Hz)                                                                                                                                                     |
| Card Reader                  | 1x SD Express Card Reader                                                                                                                                                                 |
| LAN                          | INTEL/WGI219V(SLKJ4) MM#936400                                                                                                                                                            |
| Wi-Fi/ Bluetooth             | Intel® Killer™ Wi-Fi 7 BE1750, Bluetooth v5.4                                                                                                                                             |
| Sensor                       | 1x Ambient Light Sensor<br>1x Proximity Sensor<br>1x Fingerprint                                                                                                                          |
| Security                     | Discrete Trusted Platform Module(dTPM) 2.0, Firmware Trusted Platform Module(fTPM) 2.0, Webcam Shutter, Kensington Lock, Microsoft Pluton Security Technology                             |
| Adapter                      | 100W Adaptor                                                                                                                                                                              |
| Battery                      | 4-Cell<br>99.9 Whrs                                                                                                                                                                       |
| Dimension (WDXH)             | 358.4 x 254.4 x 16.85-18.95 mm                                                                                                                                                            |
| Weight (W/ Battery)          | 1.5 kg                                                                                                                                                                                    |
